OBJECTIVE

Highly motivated and ambitious fresh graduate with a degree in software engineering, looking for an opportunity as a Software Engineer or Web Developer to use my technical and soft skills, learn from experienced professionals, contribute to meaningful projects and gain hands-on industry experience in the field of software engineering and web development.

EDUCATION

Capital University of Science and Technology   **Sep. 2020 – July 2024**
Bachelor of Science in Software Engineering   *Islamabad*

Fazaia Inter College Jinnah Camp Nurkhan   **2018 – 2020**
Intermediate(Computer Science) FBISE.   *Rawalpindi*

Fazaia Inter College Jinnah Camp Nurkhan   **2016 – 2018**
Matriculation(Computer Science) FBISE.   *Rawalpindi*

RELAVANT COURSEWORK

- Discrete Structures
- Database Management
- Web Engineering
- Operating Systems
- Data Structures
- Object Oriented Programming
- Artificial Intelligence
- Software Engineering-I
- Software Requirement Engineering
- Software Architecture and Design
- Automated Software Testing
- Software Quality Engineering

WORK EXPERIENCE

BXTrack Solutions   **Aug 2024 – Nov 2024**
Web Developer Intern   *Rawalpindi*

K-Hive (SMC-Private) Limited   **June 2024 – Aug 2024**
Web Developer Intern   *Islamabad*

Capital University of Science and Technology   **2023 – 2024**
Final Year Project: DataWhiz - An Automated Tool for Data Insights   *Islamabad*

- Developed the front-end interface.
- Designed and implemented a secure login and registration module for user authentication.
- Completed the data visualization module.
- Authored detailed documentation.

ACADEMIC PROJECTS

DataWhiz - An Automated Tool for Data Insights | *HTML,CSS,BootStrap,JavaScript,Python(Flask),OpenAI API's*

Personal Portfolio Website | *ReactJS, TailwindCSS, JavaScript*

Weather App | *HTML, CSS, Angular JS, Google API*

Chatting App | *HTML, TailwindCSS, JavaScript, ReactJS, NodeJS, ExpressJS, Socket.io, JWT Tokens, POSTMAN*

Library Management | *HTML, TailwindCSS, JavaScript, ReactJS, NodeJS, ExpressJS, Multer, JWT Tokens, POSTMAN*

Meme Generator | *HTML, TailwindCSS, JavaScript*

Todo List | *HTML, TailwindCSS, JavaScript, ReactJS, NodeJS, ExpressJS, JWT Tokens, POSTMAN*

QuizMaker Application | *HTML, TailwindCSS, JavaScript, ReactJS, NodeJS, ExpressJS, JWT Tokens, POSTMAN*

Wedding Invitation | *HTML, TailwindCSS, JavaScript, ReactJS, Framer Motion*

TECHNICAL SKILLS

Languages: HTML, CSS, JavaScript, Python, Java, C++
Developer Tools: VS Code, Eclipse, POSTMAN, NetBeans, Atom
Technologies/Frameworks: TailwindCSS, Bootstrap, ReactJS, NodeJS, ExpressJS, ShadCN, MongoDB, MUI Library, Socket.io, GitHub

CERTIFICATIONS

- What is Data Science? - Coursera
- Foundations: Data, Data, Everywhere - Coursera
- Python - Professional Freelancing Training Program
- Basics of HTML/CSS for Beginners - OpenWeaver
- Basics of JavaScript Programming - OpenWeaver
- Rahma Islamic Relief Volunteer Program - RAHMA Islamic Relief (Pakistan Mission)
- Volunteers In Service Directorate - Capital University of Science and Technology
- Certificate of Participation in Hackathon 2024 - Capital University of Science and Technology

HONORS AND AWARDS

- Recieved Capital University Undergraduate Merit Scholarship throughout my bachelor's degree.
- Reviewed Dean's Honor Roll for semester Fall 2021
- Recieved Dean's Honor Roll for semester Spring 2021
- Recieved Dean's Honor Roll for semester Fall 2022
- Recieved Dean's Honor Roll for semester Spring 2022
- Recieved Dean's Honor Roll for semester Fall 2023
- Recieved Dean's Honor Roll for semester Spring 2023
